FORM  
 DOC QF-7.3.7 Rev -  
 10/27/2010

**ENGINEERING CHANGE BULLETIN**

**ECB#:** 10004

**DATE:** 1/07/2011

**CUSTOMERS' NOTIFICATION OF PART NUMBER CHANGE**

**Date Change Effective:** 1/07/2011

**Explanation of change from existing to new part number:**

New p/n NRPN032MAMS-M311RC assigned due to change in design on the pick and place cap from standard p/n NRPN032MAMS-M81RC.

**CUSTOMERS' NOTIFICATION OF PART NUMBER CONFIGURATION REVISIONS**

**Date Change Effective:** 1/07/2011

**Explanation of configuration change/ (From) (To):**

Was smaller pick and place cap without a clip, head dimension 3.6 mm, changed to larger pick and place cap with clip required head dimension change to 4.0 mm.

**Configuration impacts for fit, form, and function are:**

No

---

**Existing part no. NRPN032MAMS-M81RC will remain active for purchase.**

Yes  No

**New or revised parts are interchangeable to the previous part applications?**

Yes  No  M311RC variation by request only. Special order.

**Engineering Approval:**

  
 (Signature)

**Date:** 1/07/2011

**Distribution:**

**Sales/Purchasing/Manufacturing Operations, Quality Assurance/Document Control, Technical Support**
