

## RoHS3 Compliance Statement

January 18, 2017,

This statement certifies that all active assemblies manufactured by Sullins Connector Solutions are fully RoHS compliant in accordance with EU RoHS Directives 2011/65/EU through (EU) 2015/863 and the Council of 4 June 2015 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directives). We hereby declare the following materials or substances are not contained therein (the material/substance is not found above the threshold level listed other than exemptions approved by RoHS). The restricted substances and their limits per the RoHS Directive (EU) 2015/863 dated 4 June 2015 are as listed below:

| Material/Substance                                       | Threshold Level | Percent by Weight                        |
|--|-----------------|--|
| Lead and Lead Components                                 | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Mercury and Mercury Compounds                            | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Cadmium and Cadmium Compounds                            | 100 PPM         | 0.01% by weight in homogeneous materials |
| Hexavalent Chromium Compounds                            | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Polybrominated Biphenyls, PBBs                           | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Polybrominated Diphenyl ethers, PBDEs including deca-BDE | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Bis (2- ethylhexyl) phthalate (DEHP)                     | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Butyl benzyl phthalate (BBP)                             | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Dibutyl phthalate (DBP)                                  | 1000 PPM        | 0.1% by weight in homogeneous materials  |
| Diisobutyl Phthalate (DIBP)                              | 1000 PPM        | 0.1% by weight in homogeneous materials  |

If you have questions about this request or the requirement, please do not hesitate to contact [support@sullinscorp.com](mailto:support@sullinscorp.com).
